BUILD YOUR BRAND AND YOUR BOTTOM LINE

When your practice provides the latest, cutting-edge technology to your patients, you will be recognized as an eye care leader in your community.

Your patients will experience long-term satisfaction with their lenses and you will see fewer returns and complaints. Add EX3 to one of HOYA's superior lens designs and you will be giving your patients lenses that will last longer, clean easier and resist dirt and scratches better than any of their previous lenses.

NO OTHER AR TREATMENT COMPARES WITH **SUPER HiVISION EX3™**

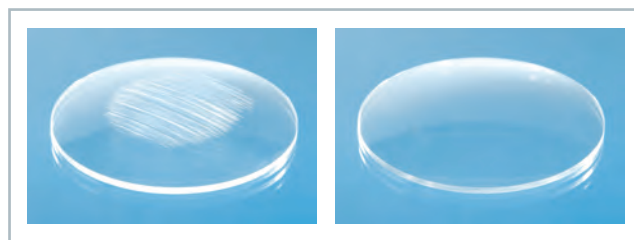

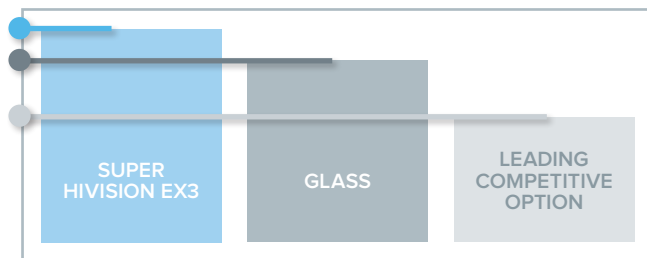

Product Feature	Patient Benefit	Practice Benefit

SUBSTRATE MATCHING PROPERTIES SMP*	<ul style="list-style-type: none">• Increases clarity• Increases color contrast• Doesn't crack, peel, chip or craze	<ul style="list-style-type: none">• Greater patient satisfaction• Minimizes returns
HOYA GUARANTEE 2-Year Unlimited Guarantee	<ul style="list-style-type: none">• Protects patients' investment	<ul style="list-style-type: none">• Quality is guaranteed• Prescribe with extreme confidence

* HOYA's exclusive SMP matches the index of refraction of the hard coating with the lens material and eliminates color fringes and improves lens clarity

SCRATCH RESISTANCE

BAYER VALUES OF HOYA LENS FINISHES

NO AR TREATMENT

SUPER HIVISION EX3

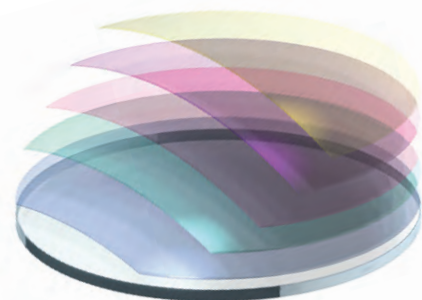

The only lens treatment that outperforms glass

- Highest scratch resistance available on the AR treatment market
- Scratch resistant layer of Super HiVision EX3 has a Bayer value that far exceeds glass
- Patients have one common goal...no scratches! Lenses keep pace with the most active lifestyles

The overall composition of a lens has a major impact on its quality

HOYA takes the entire composition as its starting point and carefully synchronizes the materials and various layers of the treatment. This allows HOYA to guarantee the best possible results in terms of performance and durability.

- Add value to your practice! Parents, grandparents, kids and professionals enjoy unparalleled quality and protection
- Be a hero to your patients! recommend Super HiVision EX3 and add profit to your bottom line.

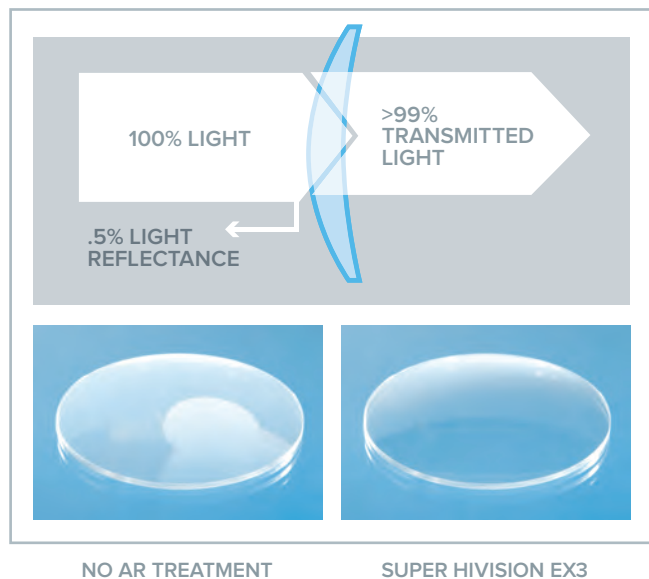

EX3 FEATURES:

- DIRT REPELLENT
- WATER REPELLENT
- ANTI-STATIC
- ANTI-REFLECTIVE
- SCRATCH RESISTANCE

REFLECTION PROTECTION

IMPROVED LIGHT TRANSMISSION

Excellent light transmission and virtually free of reflections

- **No Glare** – Less than .5% light reflectance. By removing glare, vision is comfortable and clear
- **Improved Clarity** – Cuts blinding reflections and increases color contrasts
- **Reduced Eyestrain** – Less eye fatigue in artificial lighting and varied light conditions

Clearer vision means safety and comfort

- **Cosmetic Appeal** – Allows eyes to be seen by reducing reflections on your patients' lenses
- **Improved Night Time Vision** – Minimizes reflections and glare at night for safer driving

Super HiVision EX3 provides the clearest vision night and day!

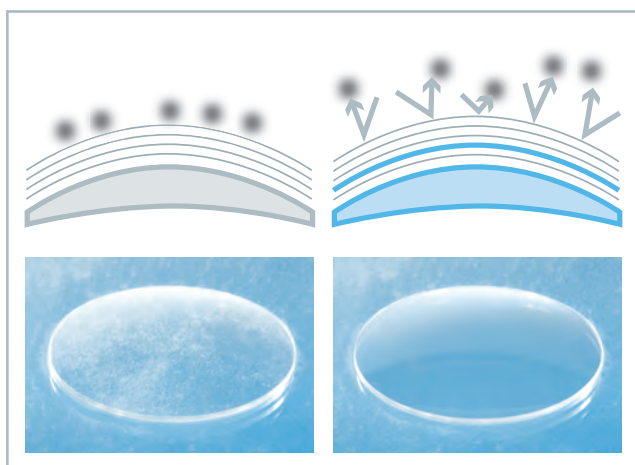

NO AR TREATMENT

SUPER HIVISION EX3

CLEANER VISION

ANTI-STATIC LAYER

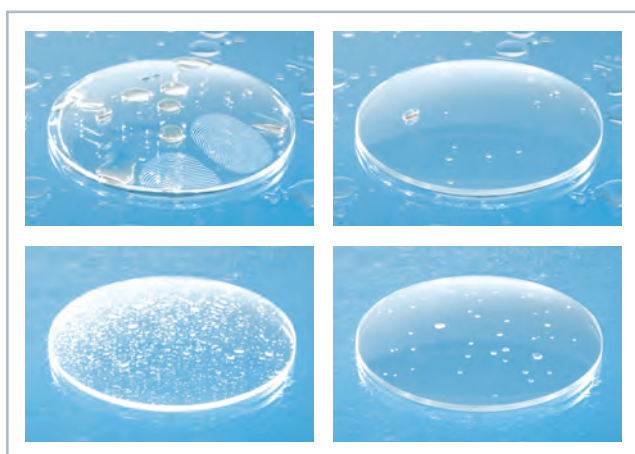

ORDINARY TREATMENT

SUPER HVISION EX3

Dust, dirt, grease and water are no match for EX3

- **Anti-Static** – EX3 has an anti-static layer that prevents dust from adhering to the lens surface and less dust means less cleaning!
- **Clean** – dirt and other residue clean off quickly and easily

NO AR TREATMENT

SUPER HVISION EX3

- **Oleophobic** – Fingerprints, grease and dirt just can't stick and can be removed in just a few wipes
- **Hydrophobic** – water just slides right off
- **Retains** its excellent, easy-to-clean properties even after long-term use and repeated wiping
